

2017

# GENERAL DYNAMICS Electric Boat

# Open Yard Saturday, Oct. 14

*No photography will be allowed;  
Please leave your camera-enabled phones in your car.*

## Take Your Family on a Shipyard Tour!

You'll be able to walk a tour route that takes in the South Yard Ways (site of the Nautilus keel laying, construction and launch), Groton waterfront, Machine Shop, Building 260 and COATS. In addition, trade shows, various exhibits and demonstrations will be set up throughout the shipyard.

Employees must wear their badges and act as escorts for their family members. Strollers will be permitted.

If you're interested in a family portrait, Photo Services will be set up by the bow of the South Dakota in Building 260. You'll be able to download your photo after they are posted on the Electric Boat website ([www.gdeb.com](http://www.gdeb.com)).
