

Electric Boat Traffic Routing Guide Rev. Z

General Dynamics has established partnerships with the carriers listed in this guide to ensure consistent service and pricing. Collect shipments from unapproved carriers will not be processed for payment. Invoices will be returned to seller unless prior approval was received from EB Traffic.

Using other than authorized carriers will result in the supplier being responsible for all freight costs.

Refer to the Purchase Order for delivery address and packaging instructions.

Please reference the Electric Boat purchase order(s) and line item(s) on the Bill of Lading.
